

CARCUEVA, KURT LAURENCE P.

Front-EndDeveloper | UI/UXDesigner | WebDeveloper
kl.carcueva05@gmail.com | <https://github.com/lcession>

PROFILE

Detail-oriented IT professional with hands-on experience in Front-End Development, UI/UX design, and AI-assisted coding workflows. Proficient in React, JavaScript, HTML, and CSS, with solid knowledge of REST API integrations and system integration workflows. Experienced with modern dev tooling including VS Code, GitHub, Notion, and AI tools like Claude AI and Gemini. Eager to grow in CRM platforms such as HubSpot. Proven ability to manage the full project lifecycle independently, from design prototype to deployed product while communicating clearly and collaborating effectively in remote environments.

PROJECTS

SkillSwap — Peer-to-Peer Skill Trading Platform

<https://skill-swap-eight-eta.vercel.app>

- Architected and deployed a full-cycle React/Vite web application from Figma prototype to production on Vercel, independently managing the complete project lifecycle.
- Integrated third-party REST APIs for authentication and data services, ensuring data accuracy and consistency across the platform.
- Built and maintained responsive web features including multi-step registration flow, SkillFeed, user profiles, and dashboard optimized for performance and cross-browser compatibility.
- Managed version control via GitHub and maintained clean, well-documented code to support team collaboration and future maintainability.

TECHNICAL SKILLS

Languages & Frameworks

- JavaScript, HTML, CSS
- React, Vite, React Router, TypeScript
- Python, Java, C
- Spring Boot, SQL, MySQL, Node.js, PHP

Tools & Platforms

- VS Code, GitHub / Git
- Figma (UI/UX Prototyping)
- Expo
- Supabase, Firebase

CRM & Integrations

- REST API integration & consumption
- System integration workflows & debugging
- HubSpot CRM (Sales Hub Software Certification)

AI-Assisted Development

- Claude AI, Gemini
- AI-aided debugging & code review
- Prompt engineering for dev workflows

Remote Collaboration & Productivity

- Notion (task management & documentation)
- Cross-functional remote team collaboration
- Technical writing & documentation

Other

- Responsive Web Design
- Data accuracy & cross-platform consistency
- Full-stack exposure: Spring Boot, SQL, backend APIs

EDUCATION

Cebu Institute of Technology University

B.S. in Information Technology | 3rd Year | Expected Graduation: 2027

Relevant Coursework: Fundamentals of Programming, Data Structures & Algorithms, Database Management Systems, Web Development, Computer Networking

SOFT SKILLS

- Strong problem-solving & analytical thinking
- Attention to detail and data accuracy
- Clear written communication & active listening
- Highly organized — manages tasks independently in a fully remote setup
- Adaptability and fast learning
